STIPULATION AND ORDER EXTENDING DATES AND DEADLINES

NOW COME the parties herein, by and through their respective attorneys of record, and hereby stipulate and agree to extend the following deadlines and dates contained in the Case Management Order, ECF No. 13, due to the fact that depositions are still ongoing and due to the fact that additional depositions will be necessary. The parties have taken 1 deposition to date and others were delayed due to unforeseen circumstances. The parties have approximately 6-8 depositions remaining including those of experts. In addition, Defendants are awaiting discovery responses from Plaintiff which are due on June 14, 2017. It is possible that these discovery responses may lead to the need for additional discovery.

The parties agree to the following extensions:

1. Completion of discovery moved to August 30, 2017.
2. Dispositive motions deadline moved to October 15, 2017.
3. Settlement Conference hearing date to be determined by the Court.
4. Final PreTrial Conference hearing date to be determined by the Court.
5. ADR to take place on or before August 30, 2017.
